

DOCTOR OF
**BUSINESS
ADMINISTRATION**

(DBA)

WHY OUR PROGRAM?

This affordable, 48-credit online Doctor of Business Administration (DBA) program offers two degree completion options: course work in preparation from higher educational instruction and general consultancy and a final Scholar-Practitioner Field Project. This mentor-guided field project allows you to apply what you have learned in your course work to your industry or field of interest and will result in a publication or conference presentation.

Throughout your entire doctoral experience, you will receive highly responsive guidance and focused attention to help you reach this career-defining educational achievement.

YOUR TIME TO LEAD. ACHIEVE. TRANSFORM.

Organizations of all types are being called upon to operate in increasingly complex environments, with rapid changes in political stability, governmental regulations and economic conditions. As a result, industry professionals must adapt and become lifelong learners that continue to professionally grow and take their careers to the next level.

The Doctor of Business Administration (DBA) degree program provides you with the knowledge and skills you need to become competitive in the 21st century job market. The program's doctorally qualified mentors are dedicated to helping you advance your career toward becoming an executive leader, educator or consultant and joining the prestigious ranks of scholar-practitioners.
