

MASTER OF SCIENCE IN HEALTHCARE MANAGEMENT

(MSHCM)

WHY OUR PROGRAM?

Through the Master of Science in Healthcare Management (MSHCM) program, you'll gain the leadership skills and business acumen that are critical to establishing, managing and leading successful healthcare organizations. Organizational leadership is a strong focus of our curriculum and is a relevant and desired competency in today's fast-changing, global marketplace.

As an MSHCM program graduate, you will be able to develop and execute healthcare strategies, use management practices to advance an organization's strategic goals and apply business principles to improve the healthcare experience.

GUIDE THE FUTURE OF HEALTHCARE

The world of healthcare needs leaders who are equipped with the knowledge and business savvy skills necessary to help shape the future of the industry. If you are currently working or wish to work in a management position at a medical or healthcare organization, the Master of Science in Healthcare Management (MSHCM) degree program is designed for you.

The practitioner-focused curriculum of the MSHCM program prepares you to lead and work effectively in the core business sectors within the healthcare industry, including finance, leadership, human capital management, technology, quality improvement and strategy.

PROGRAM ADVANTAGES

- ▶ 36-credit program with a practitioner-focused curriculum
- ▶ Contribute to the growth, quality and evolution of the rapidly-growing healthcare industry
- ▶ Explore strategic and current models of healthcare management

"Earning my degree has given me the confidence I needed to help make a difference in my field. I enjoy the academic pursuits and self-development higher learning continues to bring me. TESU staff and mentors care and want you to succeed. They want their students to push the boundaries in their profession for continuous learning and improvements. As a working adult, you want to attend a university that offers complete online classes, TESU is just that. The rigorous curriculum, structure, as well as the support the mentors and staff offer are all beyond expectations. Being a part of the TESU family has been a great experience."

Leona Johnson, MSHCM '20

WHY CHOOSE TESU?

As one of the first schools in the country designed specifically for busy, motivated adults, Thomas Edison State University is dedicated to providing you with a high-quality education — anytime, anywhere.

- ▶ **Exceptional Value:** Competitive tuition and fees. Plus, financial aid and scholarships are available.
- ▶ **Barrier Free:** Students who receive an undergraduate degree with a GPA of 3.0 or higher will be automatically admitted to a graduate program.* No GRE/GMAT or recommendation letter required.
- ▶ **Degree Flexibility:** Engage in your courses whatever time of day works for you. Courses are available 24/7.

*Several programs have additional requirements beyond GPA for admission.

ONLINE. ACCREDITED. RESPECTED.

Three words that characterize Thomas Edison State University's (TESU) unique approach to providing quality higher education in today's technology-fueled times.

Dedicated to educating adult learners for five decades, TESU has set the standard in online learning. As the leader in online education and a national leader in the assessment of adult learning, TESU is accredited by the Middle States Commission on Higher Education and has been called "the college that paved the way for flexibility" by *The New York Times*.

Our innovative online and independent study courses and credit-by-exam programs give you the flexibility to pursue your degree when and where it is convenient for you. With more than 100 areas of study, TESU offers associate, bachelor's, master's and doctoral degrees and undergraduate and graduate certificates. One of New Jersey's senior public institutions, TESU's liberal credit transfer policies and tuition models remove barriers for adults pursuing higher education. Our resume-relevant programs provide career-building skills to help you meet your educational and professional goals.
