

Take the Next Step in Your Nursing Career.

100% Online RN to BSN

THE BACHELOR OF SCIENCE IN NURSING (BSN)

degree program is designed for registered nurses (RNs) who want a quality education with the convenience and flexibility of an online program. With many credit-earning options, you can achieve your educational goals in a manner that saves you time and money. The curriculum builds knowledge in a wide array of areas, including leadership in nursing, advanced health assessment and health policy.

PROGRAM ADVANTAGES

- Open and rolling admissions, so RNs can enroll any day of the year
- Up to 90 credits from a community college may be transferred and applied to your BSN degree
- Up to 60 credits awarded to diploma graduates toward BSN degree*
- No wait list for admission
- Competitive tuition
- 8-week online courses
- Small classes mentored by experienced nurse educators
- Technical and nursing advisor support
- CCNE Accredited
- Scholarships available
- Accelerated pathway to your MSN - Up to 12 credits in the BSN may apply to the MSN degree

**This applies to diploma programs of nursing*

Thomas Edison State University's Salute to RNs Tuition Program

TESU offers RNs who enroll in its RN to BSN program this year a new tuition option that lowers the net cost to **\$311 per credit.**

This tuition program allows RNs to continue their education at the most affordable rate possible. We know you have been working hard to keep our communities healthy, and this is our way to say 'thank you.' We also know that there is a positive correlation between patient outcomes and nurse education. Furthermore, earning your BSN degree enhances your career opportunities throughout the healthcare system.

We are committed to helping you earn your BSN degree. That commitment includes guaranteeing this tuition program for 48 months as long as you successfully complete 12 credits in the RN to BSN program per academic year.

Visit [TESU.edu/BSN](https://tesu.edu/BSN) or email nursing@tesu.edu to learn more.
