

## **W. Cary Edwards School of Nursing Accelerated BSN Program INTENT TO RETURN FORM**

Use this form if you are seeking readmission to the Accelerated BSN Program. You must be in good financial standing with the University, and express a desire to return to the Program within one (1) year of having been enrolled in the Program. Those who have left the Program longer than one year must complete a new admission application. Readmission to the Program is competitive and dependent on space availability. You are not guaranteed readmission into the program. If you started the program in the May term and withdrew or were unsuccessful, you may apply to return in the appropriate term of the September cohort. If you started the program in September you may apply to return in the appropriate term of the May cohort.

Criteria for readmission to the Accelerated BSN Program include:

- 1) Progress prior to leaving the Program;
- 2) Completion of Intent to Return Form;
- 3) Faculty recommendation;
- 4) A written plan of how you will be successful if readmitted; and
- 5) Space availability in the class.

An interview with the Admission Committee will be required, as well as a non-refundable \$500.00 deposit (to be applied to that term's tuition) to hold a place in the class. All deposits are non-refundable, even if you choose not to accept readmission if offered. You may also be required to successfully complete NUR 099 prior to being re-admitted.

Students must submit the Intent to Return Form by emailing it to [nursing@tesu.edu](mailto:nursing@tesu.edu)

**Please Fill Out Completely:**

<b>First Name</b>	<b>Last Name</b>	<b>Middle Initial</b>
<b>Address</b>		
<b>Email Address</b>	<b>Phone Number</b>	
<b>TESU ID#</b>	<b>Last Term Active in Program</b>	
<b>Have your financial obligation with the college been met?</b>		
<b>I would like to restart after the following date:</b>		

**Respond to the following questions in a separate document.**

**Include your name, date and signature.**

1. Why did you withdraw from the Program?
2. Why are you interested in returning to the Accelerated BSN (BSNA) Program?
3. What, if anything, has changed since you were active in the Program?
4. How have you maintained your nursing skills and knowledge base since you last attended the BSNA Program?
5. If re-admitted, how do you plan to successfully complete your studies?
